Pattern:

ch 8

Row 1: 1 dc in 4th ch from hook and in every ch all the way across, turn [5 dc total]

Row 2: ch 2, 2 dc in first dc (the one attached to the ch 2) and in each of next 4 dc, turn [10 dc total]

Row 3: ch 2, 1 dc in first dc (the one attached to the ch 2) and in every dc all the way across, fasten off.

You now have 1/2 of a bow. You will make the 2nd 1/2 of the bow by crocheting on the other side of the original ch 8.

Row 1: Rejoin yarn in 1st ch of ch 8; ch 2, 1 dc in same ch as where you joined the yarn, 1 dc in each of next 4 ch, turn [5 dc total]

Row 2: ch 2, 2 dc in first dc (the one attached to the ch 2) and in each of next 4 dc, turn [10 dc total]

Row 3: ch 2, 1 dc in first dc (the one attached to the ch 2) and in every dc all the way across, fasten off. Weave in all ends.

You now have 1 bow. Time to make the center tie.

ch 5

Row 1: ch 1, turn, sc in 2nd ch from hook and all the way across [5 sc total]

Row 2 - 8: repeat Row #1. Upon finishing Row #8, fasten off leaving a long tail for sewing.

Finishing: Wrap the center tie tightly around the middle of the bow with the two ends meeting at the backside. [It's ok to squash the bow to pull the ends close enough to meet]. Line up the edges so they match, then thread the long yarn tail with a needle and sew the two edges together to form a tight tube. Fasten off and weave in ends. Turn the bow over and fluff it out. Slide a hair clip, hair band, or other hair fastener through the back of the center tie and it's ready to wear. This also makes a super cute gift box topper: just slide some ribbon through the back of the center tie and then tie the ribbon around your package.
